Dear Charity Ball Supporter:

The Junior League of Houston, Inc. will celebrate its largest fundraising effort of the year at the 63rd annual Charity Ball, *Casino Royale*, on Friday, February 4 and Saturday, February 5, 2011. Junior League volunteers will cast you in an action-packed evening of dinner and entertainment. The fundraising efforts associated with the Charity Ball are the primary source of financing for the League's Community Program – a program which will provide more than \$2 million in trained volunteer time and direct financial support to more than 34 community projects this year.

The Junior League of Houston, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. For 86 years, League volunteers have been serving the community in many ways, including mentoring children, feeding families and caring for the sick through innovative projects such as Mentoring Young Girls – The Chinquapin School, Houston Food Bank and SuperKids Pediatric Mobile Clinic.

We know it is challenging to decide where to send your philanthropic dollars. When you donate to this event, you not only help provide direct funding to organizations in need, but you also sustain League volunteers who touch more than one million lives annually with various projects and agencies throughout the Greater Houston Area.

Please partner with the League this year and join us for *Casino Royale*. Your participation will ensure you a lead role in impacting the Houston community – by pairing your dollars with the Junior League volunteers, the value to the community is tripled. If you are not able to join us at the Ball this year, please consider making a donation to the League's Community Program.

With your support of the 63rd annual Charity Ball, The Junior League of Houston will hit the jackpot to continue "Building A Better Community!"

Sincerely,

Jeannie
